THE SCHOOL

Cloyd's Beauty School was founded by Oscar and Ruby Cloyd in 1955 and has been in continuous operation since its opening. The original school is located at 603 Natchitoches Street, West Monroe, Louisiana. The school outgrew its facilities by 1965, when the Cloyd's constructed a new 3500 square foot, masonry and brick building at the same location.

The school was purchased in 1973 by William R. Mathieu. Mr. Mathieu has been in the private school field in the Monroe, Louisiana area for over 35 years. He has been a licensed Cosmetologist since 1974 and a licensed instructor since 1975. Cloyd's Barber School #2, accredited by COE, originally located at 407 DeSiard Street in Monroe, Louisiana was opened in 1977. A larger facility was purchased in the fall of 1989 at 1311 Winnsboro Road in Monroe, Louisiana. The school was moved to the new location in the spring of 1990. The 2514 Ferrand Street location in Monroe, Louisiana, known as Cloyd's Beauty School #3, accredited by COE, was built in 1984 and officially opened in June, 1985. The original 603 Natchitoches Street location was renamed Cloyd's Beauty School #1. The Administrative and the Financial Aid offices for all three schools are located by Cloyd's Beauty School #3 Inc. in Monroe, Louisiana.

In January 1995 each of Cloyd's Beauty Schools incorporated therefore changing their names to Cloyd's Beauty School #1, Inc., Cloyd's Barber School #2, Inc. and Cloyd's Beauty School #3, Inc. William R. Mathieu retired as sole proprietor and his son J. Rhett Mathieu became the primary stock holder and the Director of each individual corporation. In December of 2011 Cloyd's Beauty School #2 Inc. changed its official name to Cloyd's Barber School #2 Inc.

HOW REFUNDS ARE CALCULATED WHEN STUDENTS WITHDRAW

- The Return to Title IV (to determine the amounts earned from the Federal program) and
- Institutional Refund Policy (See below)

NOTE: Refunds are made without the request of the Student.

REFUND FOR FEDERAL TITLE IV FUNDED PROGRAMS

The Return of Title IV is NOT an Institutional Refund Policy. Instead, the Federal regulations (beginning with 10/07/2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

The amount of Title IV aid earned is based on the amount of time the student spent in academic attendance and total aid received. It has no relationship to the student's incurred institutional charges. Because these requirements deal only with Title IV funds, the order of return of unearned funds does not include funds from sources other than the Title IV programs.

Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the aid is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive or may have received. Therefore, the amount of Federal grant earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned. This may result in the student owing the institution money.

Up through the 60% point in each payment period, the required Title IV calculation is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds credited to that payment period.

If a student has earned grant money, the Financial Aid Officer sends a grant overpayment notice to the student within 30 days from the date of the institution's determination that the student withdrew, giving the student 45 days to either:

1. Repay the overpayment in full to the school,
2. Make repayment arrangements satisfactory to the school, or
3. Sign a repayment agreement with the Department of Education.

If the student has not repaid the grant overpayment within the 45 day time frame, the FAO will report the overpayment to NSLDS. The student will not be eligible for further Title IV funds until the overpayment is paid in full. NOTE: If the initial amount of the overpayment owed by the student is \$25.00 or less, the student repayment requirement is forgiven.

INSTITUTIONAL CANCELLATION AND REFUND POLICY

1. If the student is rejected for training by the school, the student will be refunded of all monies paid.
2. If the guarantor(if the student is of minor age) or student cancels the Enrollment Agreement in writing within three (3) business days of signing the Agreement, regardless of whether or not the student has actually started training, the student will be entitled to a 100% refund of all monies paid. If after three (3) business days, but prior to starting class, the student wishes to withdraw, he/she will be entitled to a refund of the tuition paid to the school, less the Registration fee, as specifically stated on the Agreement, not to exceed 15% of the total price of the Program, but in no event may the school retain more than \$100.00.
3. Any sums paid to the school herein shall be subject to the following refund policy:
(Based on scheduled Hours)

Periods of Obligation (Scheduled Hours)	Amount of Total Tuition & Fees Owed to School
0.01 % to 10%	10%
10.01% to 25%	50%
25.01% to 50%	75%
50.01% to 100%	100%

4. If the student is of minor age, notice of termination must be made by parent or guardian.
5. Refunds will be made within thirty (30) days after the school has determined that the student has withdrawn from classes.
6. Enrollment time is defined as the time elapsed between the actual starting date and the student's last day of physical attendance in school. Cancellation or termination date is determined by the postmark on the written notification or the date notice of cancellation is delivered to the school administration in-person. In cases of leaves of absences, regardless of duration, the termination date is the date the student was scheduled to return to the school and did not. Refunds are due within thirty (30) days of that date. If the student fails to notify the school of withdrawal, the school must terminate on the 30th day and refund to the student within thirty (30) days of the termination.
7. When the student requests a transfer to another school, the school may charge a reasonable fee, not to exceed \$10.00 for transcripts.

8. In the case of student prolonged illness or accident, death in the family or other circumstances that make it impractical to complete the program, the school shall make a settlement which is reasonable and fair to both parties.
9. In the event the student wishes to withdraw or is terminated after three (3) business days, the student is not entitled to a refund on books, supplies, materials and incidental fees. These items are refundable prior to the three (3) day cutoff.
10. If the school is permanently closed and no longer has offering instruction after the student enrolled, the student shall be entitled to a pro-rata refund of tuition.
11. If a Program is cancelled subsequent to the student's enrollment, the school shall at its option:
 - 1) Provide completion of the program at another location with the student's approval or
 - 2) Provide a full refund of all monies paid.
12. All overtime charges will apply if the student fails to complete the program or fails to complete all clinic, theory, and practical work.

Students enrolled in programs scheduled to last longer than 12 months are released from the obligation to pay tuition for program-work scheduled to occur beyond 12 months if the student withdraws or is terminated during the first 12 months. The calculation of the refund for the unused portion of the first 12 months is based on the calculation above.

If the student withdraws or is terminated during any subsequent period following the first 12 months, the student's refund for the unused portion of the tuition applicable to the period of withdrawal is based on the calculation above.

WITHDRAWAL POLICY

The effective date of the termination for refund purposes will be the earliest of the following:

1. The last day of attendance from school's attendance records, or
2. Date student began the withdrawal process, or
3. Date student provided official notification of intent to withdraw in writing, or
4. Date student did not return at the expiration of an **approved** leave of absence.
5. Date of withdrawal as determined by the school:
 - a) Student is expelled,
 - b) Student not making satisfactory progress (attendance or academic)

A full refund will be made to any student who:

1. Is not accepted by the school;
2. Was enrolled by misrepresentation in advertising, promotional materials of the school, or representations by the owner or representative of the school; or
3. Is enrolled in a Program of instruction that is discontinued by the school and prevents the student from completing the Program.

Refunds will be totally consummated within 45 days after the effective date of termination.

Upon a student's withdrawal, two calculations are formed:

1. The Return of Title IV funds (To determine amounts earned from the Federal programs) and
2. Institutional Refund Policy

B: Refund of funds:

- 1) Generate Return to Title IV (R2T4) Calculation: The FAO on campus will generate the first draft of the R2T4 calculation which will then be double checked by the fiscal office. Upon approval the notice of refund will be sent to the Director for electronic refund.
- 2) Notification to FAMEWARE: Email notification will be sent to FAMEWARE to process the refund in COD.
- 3) Ledgering the refund amount in accounting software: The fiscal office will then ledger the amount in both the Federal holding account and operations account using Peachtree accounting software.
- 4) Ledgering student account: The fiscal office will ledger the student account using the student management software from the R2T4 form.

SATISFACTORY ACADEMIC POLICY (SAP)

Cloyd's SAP policy for Title IV students is the same as the school's standards for students enrolled in the same educational programs who are not receiving Title IV aid. It is a uniform policy for all students within the same program of study and for all students within the same attendance schedule. The Title IV SAP policy is the same as the school's academic policy as indicated above.

The Director of Financial Aid reviews the Title IV SAP policy to ensure that it meets all federal requirements. The Director notifies the financial aid office if the school changes its academic policies.

INCREMENTS

To ensure the student is making sufficient progress both quantitatively and qualitatively, Cloyd's SAP policy divides the maximum time frame into equal evaluation periods called increments. These increments generally coincide with payment periods, but in any case it cannot be longer than half the program or one academic year, whichever is less. For example in a 900 clock-hour program, an increment must not exceed 450 clock hours. See sections 668.16(e) (2) (ii) (B) and 668.34(e) of HEA 1965 for details on the federal regulations. The student will be evaluated and measured for satisfactory progress quantitatively and qualitatively at the end of each increment. A determination is then made of whether or not the student is making satisfactory progress. There are three instances when a student may be evaluated earlier than the end of each increment. They are as follows:

1. Student attendance falls below the minimum 66.67% of scheduled hours
2. There has been no attendance or contact with Cloyd's from the student in 14 days
3. Student Grade Point Average falls below 70%

QUANTITATIVE MEASURE OF SATISFACTORY ACADEMIC PROGRESS (SAP)

Cloyd's satisfactory academic progress policy contains a quantitative measure. The policy specifies a maximum time frame not to exceed federally-required 150 percent of the published length of the program in which a student must complete his/her academic program. The time frame is measured in clock hours completed, divided into increments (noted above) and is based upon the student's enrollment status.

At the midpoint of the maximum timeframe, students must have successfully completed 1/2 of the program's clock hours. For example: The maximum timeframe for the Cosmetology full time student is 75 weeks. The total clock hours needed for completion of this program is 1500. By the time the student has been in the program for 37.5 weeks (1/2 of the maximum time frame), he/she must have attended at least 750 clock hours. This time frame is applicable for all students including those who did not receive financial aid.

GRADING SYSTEM

Qualitative Measure of Satisfactory Academic Progress (SAP)

As per sections 668.16(e) (2) (I) and 668.34 of HEA 1965, the school conducts a qualitative measure of a student's progress. The measurement is graduated. The following table illustrates the grading system:

A	90-100
B	80-89
C	70-79
F	69-Below

As stated above, at the end of each payment period or increment, grades are evaluated. Any student whose cumulative average is below a "C" (GPA 70) will not be deemed making satisfactory progress.

In addition, students are making satisfactory progress as long as the program objectives for graduating are completed within 1-1/2 times the stated program length.

MAXIMUM/MINIMUM TIME FRAMES

MAXIMUM

Barber/Stylist2250 hours/21 months

APPEAL PROCEDURE

Appeals and Documentation

A student may appeal a determination that he/she is not making satisfactory academic progress at Cloyd's by submitting a signed, dated "Satisfactory Academic Progress Appeal Form" to the school's business office within 14 days of the determination that s/he is not making satisfactory academic progress. The school's business office will issue a "Satisfactory Academic Progress Appeal Decision" to the student within 14 days of the student's appeal. The decisions of Cloyd's business office concerning SAP appeals are final.

As with any use of professional judgment, adequate documentation is critical. Since third parties may sometimes be used to document the mitigating circumstances surrounding a SAP appeal, the following provides some acceptable documentation that may be submitted in support of an appeal. Some examples might include but are not limited to:

- A. Newspaper obituaries or death certificates to substantiate deaths
- B. Physician's statement to substantiate illness or accident
- C. Statement from clergy or family member who knows the student's situation
- D. Statement from instructor

Regaining Eligibility

As per section 668.16(e) (6) of the HEA 1965, a student not making SAP may re-establish eligibility on his or her own, either because an appeal was denied or because he or she did not submit an appeal.

A student can re-establish eligibility if he/she increases his/her cumulative grade point average to 70 before or during the Title IV aid period or begin attending at a rate that is

over 67% of scheduled hours. The student will then resume receiving aid for the current aid period after re-establishing eligibility.

A student's aid will be reinstated only if an appeal is won or the student returns to satisfactory progress.

STUDENT GRIEVANCE PROCEDURE

A student who has a grievance concerning any of the school policies, grading system, student conduct, dress code or termination procedures may file a written request for a review with the Director. A written reply will be made within ten (10) days of receipt by the Director or his designated representative. If the matter cannot be resolved in this manner, the student may forward the grievance to the Louisiana State Board of Cosmetology, 11622 Sunbelt Court, Baton Rouge, Louisiana 70809 or to Council on Occupational Education at 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA, 30350, website www.council.org

COUNSELING

As a result of the close daily contact of students and faculty, the students are evaluated on a continuing basis. Students are tested each week, and his/her scores and overall performances are evaluated by the faculty members. These daily and weekly evaluations are compiled on the Progress Reports which are given to the students. Individual and private counseling sessions are held after the Student Progress Reports have been printed. In addition to academic counseling, these sessions may cover such areas as personal and social behavior, financial matters, study habits, grooming and other items. Should the student fail to achieve the minimum passing grades or fail to meet other fundamental standards of the school, he/she shall be counseled at that point in time. A student may request a counseling session at any time during enrollment. A record of each counseling session shall be made, signed by both the faculty member and the student and retained in the student's academic file. If the student is under the legal age of majority, the counseling session shall be held with the student's parent or guardian. Quarterly drug and alcohol awareness and Campus Security lectures are given comply with federal regulations. Hours and percentage of attendance are posted monthly. Student's grades are recorded weekly also. Students may be counseled at any time, if failure to achieve and patterns are noticed.

PRIVACY ACT

Cloyd's guarantees (either actively enrolled or previously in attendance) and his/her parents and/or guardians (if the student is still a minor) the right of access to his/her files. Files are maintained both in the school and the Cloyd's Administrative Office in Monroe, Louisiana. The Administrative Office maintains files relative to the federally funded financial aid program.

A responsible representative of Cloyd's will, upon request, reviews with a student's his/her file to assist in the interpretation of the student's records and answer all questions.

RIGHT TO STUDENT RECORDS

Cloyd's Barber School protects the invasion of privacy rights of its students and staff by releasing only information that is legally required. Information of a personal nature is released only in written instructions of the student or the parent/guardian if the student is a minor. Cloyd's Barber School must, however, make its student files available to certified, accrediting, regulatory, and other governing agencies that have the legal right to examine such files for their compliance visits. Agencies requiring information from school records must make a written request which will become a part of the student's permanent file.

Only copies of original documents will be removed from the school. No portion of a file may be removed or reproduced without the permission of an officer of Cloyd's Barber School. Cumulative educational records are maintained by the school for a minimum of five (5) years.

NONDISCRIMINATION POLICY

Cloyd's Barber School comply with the Civil Rights Act of 1964, as amended, which prohibits discrimination based on sex, race, religion, age or national origin. The school also complies with the Rehabilitation Act of 1973/1990 which states, "That no qualified person, by reason of disability will be excluded from enrolling in the program of instruction." The school will work with a disabled applicant to ensure that needed or special services are available. Handicapped parking and entrances as well as restroom facilities are available for clients.

PLACEMENT SERVICES

Upon the successful completion of a program, the student may register for any employment assistance with the Administrative Office. The Placement Officer will make the best effort to place students. Alumni are also eligible for placement assistance. The Placement Officer maintains files on all students requesting placement services.

The Placement Officer will assist the student in organizing personal information for his/her resume. The Placement Officer will work with students in preparing them for interviewing techniques. **The student is advised that the law prohibits any college or school from guaranteeing placement as an inducement to enter said school.**

STUDENT HOUSING

Cloyd's does not provide student dormitory facilities, but the Director will help out-of-town students with securing satisfactory housing facilities. It is requested that the student contact the Director at 2514 Ferrand Street, Monroe, LA 71201 at least thirty (30) days prior to enrollment for assistance with housing arrangements.

TRANSFER STUDENTS WITHIN/OUTSIDE THE INSTITUTION/TRANSFER OF CREDIT

Cloyd's accepts transfer students with previous credit from a licensed school providing certain criteria are met.

The school will evaluate the hours earned by the transferring student and will grant credit for the eligible hours the institution will except.

The student must submit to the State Board a written, notarized request for transfer. This request must name the old school and the new school and give the reason for transferring. The student must also have a certification of hours sent from the previous state board to Louisiana Barber Board and Cloyd's Barber School. If the State Board approves the transfer, the student will be enrolled at Cloyd's Barber School.

Tuition charges to transfer a student will be determined by the hourly rate of the program in which he/she is enrolling. Rates are also for students who need additional training and/or extended training. For example, Barbering is \$4.65 per clock hour (\$6,975.00 divided by 1500 clock-hours), and Instructor \$3.30 per clock-hour (\$2,475.00 divided by 750 clock-hours), Equipment and book charges are prorated according to needs, if purchased through the Cloyd's Barber School Book Store. An enrollment fee of 15% of the cost of tuition or \$150.00, whichever is less, is also required.

SATISFACTORY/ACADEMIC PROGRESS REQUIREMENTS FOR TRANSFER STUDENTS

If a student transfers to Cloyd's Barber School and is granted credit by the Louisiana State Board for previous training, the following Satisfactory Progress Policy applies:

The transfer student is required to complete the work which represents the proportion of the number of clock hours the student will complete at this school as compared to the clock hour program length he/she is enrolling in. For example, a student transfers to Cloyd's Barber School as a Barber student and receives 500 clock hours of credit for

previous training from the Louisiana State Board of Barber Examiners. The 500 clock hours represent 33% of the 1500 clock hour program. Therefore, the student will be required to complete at least 67% of the total number of examinations or clinic experiences and complete the minimum number of physical hours in the same proportion as a student completing the entire program.

TRANSCRIPTS

A student may obtain a transcript from the Business Office upon request if he/she has fulfilled his/her financial obligation to the school. The cost is \$5.00 per request.

PARKING

Free parking is readily available on campus.

MAKEUP WORK

Students may be granted the privilege of makeup work at the convenience of the school and with the permission of the Director. At the completion of the program determined by the scheduled graduation date on the Enrollment Agreement, students must have all makeup work completed. Any time after the scheduled graduation date, students will be charged the hourly rate listed on his/her Enrollment Agreement for hours needed to complete the program after subtracting allowed absences of 150 clock hours and written excused leaves absences.

ABSENCES

As noted above, the student will be charged at the hourly rate indicated on the Enrollment Agreement after unexcused absences of 150 clock hours have accumulated and the contract expiration date has passed. In addition, students are required to make a written report to the Business Office after each absence. The Business Office must be contacted in the event the student will be absent for any period longer than three (3) school days. The student may call, write a note or contact the Business Office personally. Upon returning to class the student must submit a written statement regarding absence. Daily reports are accurately kept of student's attendance. Students must attend school regularly. If a student does not attend school during his/her scheduled hours and has not been excused for extenuating circumstances, such absence shall be considered an unexcused absence and so recorded on the student's Progress Report. Because contact with the public is very important, tardiness and unexcused absences will be considered cause for possible interruption of training.

A STUDENT WILL BE TERMINATED IF HE/SHE EXCEEDS 30 CONSECUTIVE DAYS OF UNEXCUSED ABSENCES.

LEAVE OF ABSENCE

Under unusual circumstances a student may be granted a leave of absence from school and not be considered to have withdrawn. The student must be currently attending school when the leave is requested. The leave must be requested in writing, using a Change of Status/Sickness Report Form. The director of the Cloyd's Barber School must approve the student's request for the leave. Medical leaves of absence will be limited to 180 days if the student presents acceptable medical documentation at the time the leave is granted. All other types of leaves will be limited to 60 days. A student may be granted no more than a total of 180 days Leave of Absence per enrollment.

TARDY POLICY

A student is late if he/she enters class ten (10) minutes after the beginning of the scheduled session. Students arriving more than fifteen (15) minutes late will not be permitted to enter the class during that session. (*Students will not be clocked in until all students are excused from Theory Classes.*) Without prior approval, a student arriving late from lunch will not be permitted to enter class.

CONDUCT POLICY

A student is expected at all times to hold high standards of integrity and behavior which will reflect upon themselves, family and the school. Students are always expected to maintain a satisfactory attitude and appearance. A student will not be permitted in class without a clean, proper uniform or the necessary books and equipment. The students are expected to abide by all rules and regulations of the school as listed in School Rules. Failure to do so may result in suspension or dismissal at the discretion of the Director. In the case of suspension, reinstatement is at the discretion of the Director. Suspension from training may be from one clock hour to any number of weeks. During this period a student will receive no credit or clock hours. All missed class hours must be made up at the convenience of the school before the graduation date. The school reserves the right to expel any student for improper conduct, unsatisfactory progress or unexcused absences.

SANITATION POLICY

We believe that sanitation and cleanliness are essential to the barber industry. All students will one day work in shops that require cleaning and sanitizing. Therefore, we require that all students participate in light cleaning throughout the school. Janitors have been contracted to take care of the majority of the work, but students must participate in the day-to-day cleaning of the school. Refusal to participate will be grounds for suspension or termination.

CITIZENSHIP DOCUMENTATION

Cloyd's Barber School requires all students to be US citizens or a permanent resident of the United States. There are systems of checks and balances through several internal agencies when a FAFSA is processed including the Department of Homeland Security

and the Social Security Administration. A student may be required to provide proof of citizenship before his/her ISIR can be processed and an EFC can be given. In addition, the institution reserves the right to ask for proof of citizenship for student file documentation purposes. In this case, the institution notifies the student to obtain the documents which must be presented to the FAO within seven (7) days of the notification.

If the student does not provide the necessary documentation, the financial aid application process cannot be completed and the student will not be able to participate in any Title IV HEA programs. Cloyd's Barber School will not make a determination that the student is not an eligible non-citizen until there has been ample opportunity to submit the documentation in support of the student's claim of eligibility.

If secondary confirmation is required, Cloyd's Barber School will provide to the student a clear explanation of the documents the student must submit as evidence that the student satisfies the requirements and a clear explanation of the student's responsibilities which affect compliance with CFR 668.33(a) (2) including any deadlines for completing required action and consequences of non-compliance.
